

117TH CONGRESS
2D SESSION

H. R. 7848

To promote meeting domestic energy needs with domestic energy production,
and for other purposes.

IN THE HOUSE OF REPRESENTATIVES

MAY 19, 2022

Mr. MOORE of Utah introduced the following bill; which was referred to the
Committee on Natural Resources

A BILL

To promote meeting domestic energy needs with domestic
energy production, and for other purposes.

1 *Be it enacted by the Senate and House of Representa-*
2 *tives of the United States of America in Congress assembled,*

3 SECTION 1. SHORT TITLE.

4 This Act may be cited as the “Protecting American
5 Energy Act”.

6 SEC. 2. ANNUAL ENERGY ANALYSES; ESTIMATES; REPORT.

7 (a) ANNUAL ANALYSES; ESTIMATES.—The Secretary
8 of the Interior, in consultation with the Secretary of De-
9 fense, the Secretary of Commerce, the Secretary of En-
10 ergy, and the Secretary of State, shall—

1 (1) conduct an annual qualitative and quan-
2 titative analysis of—

3 (A) the energy production on Federal
4 lands and interests in lands, on State lands,
5 and on private lands during the 5 calendar
6 years immediately prior to the year in which the
7 analysis is conducted; and

8 (B) the energy consumption by the United
9 States during the 5 calendar years immediately
10 prior to the year in which the analysis is con-
11 ducted; and

12 (2) complete an annual estimate of—

13 (A) the probable energy production on
14 Federal lands and interests in lands, on State
15 lands, and on private lands during the calendar
16 year immediately after to the year in which the
17 analysis required under paragraphs (1) is con-
18 ducted based on—

19 (i) current events;

20 (ii) the analysis required under para-
21 graph (1);

22 (iii) data and analysis published by
23 the Energy Information Administration re-
24 garding domestic oil and gas production
25 and consumption;

(iv) data and analysis published by

the Office of Natural Resources Revenue

regarding domestic oil and gas production

and consumption; and

(v) other data considered relevant by

such Secretaries; and

(B) the probable energy consumption by

the United States during the calendar year im-

mediately after to the year in which the anal-

ysis required under paragraphs (1) is conducted

based on—

(i) current events;

(ii) the analysis required under para-

graph (1);

(iii) data and analysis published by

the Energy Information Administration re-

garding domestic

consumption;

(iv) data and analysis published by

the Office of Natural Resources Revenue

regarding domestic oil

consumption; and

(v) other data considered relevant by

such Secretaries.

1 (b) ANNUAL REPORT.—The Secretary of the Interior

2 shall—

3 (1) complete an annual report for the calendar
4 year immediately before the report is completed that
5 includes—

6 (A) the analyses and estimates completed
7 under subsection (a);

8 (B) the data used to complete the analyses
9 and estimates under subsection (a); and

10 (C) recommendations to secure and in-
11 crease United States energy independence; and

12 (2) not later than 6 months after the date of
13 the enactment of this Act and not later than Sep-
14 tember 30 of each year thereafter, transmit the re-
15 port required under paragraph (1) to—

16 (A) the Committee on Natural Resources
17 of the House of Representatives; and

18 (B) the Committee on Energy and Natural
19 Resources of the Senate.

20 **SEC. 3. WITHDRAWAL OF FEDERAL LAND.**

21 (a) RESOURCE ASSESSMENTS REQUIRED.—Subject
22 to valid, existing rights, Federal lands and interests in
23 lands may not be withdrawn from entry, appropriation,
24 or disposal under the public land laws, location, entry or
25 patent under the mining laws, or operation of the mineral

1 leasing, mineral materials, or geothermal leasing laws un-
2 less—

3 (1) a quantitative and qualitative geophysical
4 and geological mineral resource assessment of the
5 Federal lands and interests in lands proposed to be
6 withdrawn has been—

7 (A) completed by the Director of the
8 United States Geological Survey during the 10-
9 year period ending immediately before the date
10 of the withdrawal; or

11 (B) certified as current by the Director of
12 the United States Geological Survey; and

13 (2) the Secretary of the Interior, in consultation
14 with the Secretary of Defense, the Secretary of
15 Commerce, the Secretary of Energy, and the Sec-
16 retary of State, have conducted a quantitative and
17 qualitative geophysical and geological resource as-
18 sessment to determine that the withdrawal is not
19 projected to have a negative impact on domestic en-
20 ergy independence.

21 (b) REQUIREMENT FOR OIL AND GAS LEASING
22 WITHDRAWAL.—Notwithstanding any other provision of
23 law, the Secretary of the Interior may not withdraw Fed-
24 eral land or interests in land from oil and gas leasing un-
25 less specifically authorized by a Federal statute if—

1 (1) the proposed withdrawal is projected to re-
2 duce the ability of the United States to meet domes-
3 tic energy needs with domestic energy production as
4 determined by the resource assessments made pursu-
5 ant to this section; or

6 (2) a parcel included in the proposed with-
7 drawal has an exterior boundary that is less than 50
8 miles from the exterior boundary of another parcel
9 that was withdrawn from oil and gas leasing during
10 the 1-year period before the date of the proposed
11 withdrawal.
